

This donation agreement is effective as of date signed between **Thomasville Center for the Arts (TCA)** and \_\_\_\_\_, Donor.

### A. Donation

TCA will present the **Art Off the Wall** art sale event from April 28-30, 2023 at Grassroots Coffee to benefit artist programs at TCA.

The sales from your contribution will help support emerging artists programs like Wall Space at Grassroots, THOM Collective, and artist residencies. These programs help artists develop their work creatively and professionally. Additionally, we provide artists with education opportunities to teach workshops and work with local schools to connect people and inspire artists of all levels.

In addition to raising money to support arts programs at the Center, the event is designed to encourage collectors of all ages and stages to collect art! With accessible price points, Art Off the Wall is perfect for beginner collectors, as well as a great place for seasoned buyers to find something new.

Center Members will have early access to the sale online from April 26-27 and can pick up purchased work on site throughout the show. All work purchased during the event must be brought home that day.
